Pets

I love dogs sons : https://youtu.be/t8MROVbB_Z0

Grace and Courtesy

Social

Thank you: <https://youtu.be/39ESRHERZqY>

Please and thank you song: https://youtu.be/MUX5rlw_NIQ

Bed time story: <https://youtu.be/xJBk9mJwkeI>

Cognitive

<https://pin.it/4HgXQ3P>

- Matching familiar items enhances visual discrimination which is a pre-reading skill needed for letter shape recognition.

<https://pin.it/ISLsuk9>

- Sorting items encourages problem solving skills. Where possible have items that only change in one aspect e.g. colour in this example.

Autumn

Autumn colours song: <https://youtu.be/Co-gRUgMSfI>

Vocabulary Enrichment

- Mothers and babies. See page 2
- When looking at pictures or interacting with your own pets extend vocabulary by naming parts of the pet like paws, tail, claws, fur e.c.t
- When looking at pictures or interacting with your own pets extend vocabulary by using descriptive words like soft fur, big paws, sharp claws.

End of Day Routine

- clean up toys
- brush teeth
- take a bath
- read a book

Stacking house hold items

- Help your child stack house hold items according to the child's capability
- Find items that are clearly getting smaller in size to start
- Then find items that are less obviously reducing in size and are more difficult to stack

(Jane Cope MC)

Mothers and Babies

kitten

cat

bear cub

bear

puppy

dog

foal

horse

chick

hen

lamb

sheep

calf

cow

piglet

pig

duckling

duck

fawn

deer
